	Task 1	Task 2
Monday	<p>Make a sandwich and cut it in half. Remember that the two halves must be equal (the same). If you don't have a sandwich, maybe you could use a biscuit or an apple.</p> 	<p>Draw a superhero that wants to help save our planet. Does it have any special powers or gadgets? Can you tell your grown up about it?</p> 

	Task 1	Task 2
Tuesday	<p>Can you find 10 small objects and put <math>\frac{1}{2}</math> (half) in a bowl? How many are in the bowl?</p>  <p>Can you repeat it with different amounts?</p> <p>Challenge: What happens if you have an odd number in total?</p>	<p>Write sentences to describe your superhero.</p> <p>For example: My superhero has a huge green back pack so she can carry lots of recycling.</p> 

	Task 1	Task 2
Wednesday	<p data-bbox="338 220 1205 331">Can you draw a picnic where everything has been cut in half?</p> 	<p data-bbox="1252 220 2101 403">Choose a song you know and see if you can tap out the beat on your knees. Does your grown up recognise it?</p> 

	Task 1	Task 2
Thursday	<p>Ask your grown up to call out a number. Can you star jump half of that number.</p> <p>20 = 10 star jumps</p> 	<p>With a grown up, can you use a lamp or torch to create some shadow puppets?</p> 

	Task 1	Task 2
Friday	<p>Next time you have food on a plate, can you cut it all in half? Can you prove it? Send your teacher a photo on Class Dojo.</p>	<p>Can you do: 5 star jumps, 2 hops, run round in a circle for 10 seconds then sit down?</p>

→ Be careful with your cutlery.

Can you make up your own exercise routine?
