

Dear Parent/Carer,

### **Device Loan Agreement**

As you are aware, a lot of work has gone into opening school in a COVID secure way. We are so proud of our children's resilience as they have settled back into school. Whilst we are delighted to be open to all pupils, we are aware that bubble closures could be possible and want to be as prepared as possible to make sure children's learning continues even if this happens.

In the event of a bubble closure, we would like to be able to loan your child(ren) a Chromebook in order for your child(ren) to engage with their teacher. For your child to use a Chromebook at home, you need to have completed the attached Parent Agreement. We would like the agreement to be completed in advance so that, if a bubble closes, we can release the Chromebooks on that day.

The device will be connected to the TMET network when pupils use them at home, so it is managed and filtered as if they were at school. Our IT department will also have the ability to remotely access the device, so if they are experiencing any problems please just let us know by emailing our IT Helpdesk at [helpdesk@tmet.uk](mailto:helpdesk@tmet.uk)

The device will remain the property of the school, and must be returned in good condition with reasonable wear and tear when the school reopens. The device will be covered by our insurance policy, however please note that there is an excess of £250 if the device is lost or damaged, which you would be responsible for paying.

Please complete and sign the consent section of the attached Parent Agreement (highlighted in **green**) and return this to your child's teacher by Friday 18<sup>th</sup> September.

We hope that this initiative will support with home learning, and if you have any queries please do get in touch with the school.

Yours sincerely,

**James Wharin**

**Assistant Principal**
