

Sports Premium Report 2016-17

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that the premium should be used to:

- Develop or add to the PE and sport activities that the school already offers
- Make improvements now that will benefit pupils joining the school in future years

Academic year 2016-2017 Northfield House Primary Academy

Amount of PE and sport Premium received: £8,000 and an additional £5 per pupil.

How the 2016-2017 PE and Sport Premium is to be spent:

- The money will contribute to the employment of the PE specialist to lead the development of the sports curriculum across the school.
- Working with specialist sport coaches to introduce additional sporting activities (e.g. a dance teacher, Leicester Riders' coach/ FA Disability Football Development Coach/ FA Development Officer).
- Participating in sporting competitions within the county and within Trust schools.
- Affiliation to local sport leagues.
- Links with local sports clubs.
- Running after school clubs.
- New sports equipment.
- New scheme of work for swimming lessons (ASA).
- Enhancing school grounds to encourage the participation of a daily mile by all children.

Evaluation of the Academic Year 2015-2016

During the 2015-2016 academic year the PE and sports premium funding was used to maintain and enhance the provision in PE and school sport.

Participation:

During the 2015 – 2016 academic year, we raised our participation in extra – curricula activities including badminton, football, basketball, dance and multi- sports club; these are offered to children across both key stages.

		Numbers Participating	Who?
Year 4 Children (60 children)	Badminton	15	KS2
Year 5 Children (59 children)	Football	20	KS1 & KS2
Year 6 Children (49 children)	Basketball	24	KS2

	Dance	20	KS1
	Multi-Sports Clubs	50	KS1 & KS2

Swimming

Swimming is offered throughout the year to ALL children, with lessons being more structured as the age group rises. Every child will benefit from a one hour session of swimming per week, led by a fully qualified sports coach.

P.E and sport at Northfield House Primary Academy:

At Northfield House, P.E and sport are seen as playing a vitally important role in pupils' development as rounded and physically active young people. In recent years, a substantial amount of money has been allocated towards teaching expertise and resources. Mr Smart who is a qualified lifeguard and coach, has been the specialist sports coach at Northfield House for the last 10 years. We will also be inviting sports coaches from the Football Association to deliver Physical Education Lessons.

Here at Northfield House we encourage children to be active by promoting campaigns such as Move it Boom Rio, a campaign designed to advise children how to keep healthy. Furthermore, we will ensure children are doing at least 2 hours of P.E per week by investing in new equipment for classes to use during morning motivation, every morning. To show our commitment to delivering an outstanding P.E curriculum, all teachers will be upskilled in how to deliver outstanding P.E lessons and activities by qualified P.E professionals.

P.E is taught to all children, from the foundation stage to year 6, enabling them to develop good basic skills at a young age, which they then build upon as they move through the school, through a carefully structured and challenging programme. Northfield House aims to provide children with positive experiences which will develop an enthusiasm in the children which will see them inspired and involved in sport for many years to come.

At Northfield House, we offer a wide variety of individual and team activities: traditional and sports hall athletics, basketball, bench ball, cricket, dance, football, gymnastics, netball, rounders, rugby, swimming, tennis, hockey. We also appreciate the effect of physical activity on enabling children to focus and engage in their learning. In addition to this, we want to give children who are gifted and talented in an area of Physical Education or Sport, opportunities to develop that gift or talent by having strong links with local sports clubs.

The opportunities for the children to take part in a wide variety of after school sporting clubs will increase dramatically. Northfield House has strong links with local clubs who have offered to run lunch time/after school clubs. A wide range of children have had the opportunity to extend themselves in competition against similar children from other schools. As a result each year we enter teams in to as many competitions as possible. We also organise friendly matches against schools within the Trust.
