

Sports Premium Report 2018-2019

It is expected that schools will see an improvement against the following 5 key indicators:

- the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- the profile of PE and sport being raised across the school as a tool for whole school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

This means that the premium should be used to:

- Develop or add to the PE and sport activities that the school already offers
- Make improvements now that will benefit pupils joining the school in future years

Amount of PE and sport premium received for 2018-2019: £19,410

How the 2018-2019 PE and Sport Premium is to be spent:

- Contributing to the employment of a PE specialist to continue leading the development of the sports curriculum across the school, ensuring that improvements are sustainable by working alongside teachers and other staff members;
- Affiliation to local sports associations – this will continue to increase participation in competitive sports opportunities & provide training opportunities for 'young leaders' to sustainably increase participation in physical activities within school;
- Using specialist sport and activity coaches to introduce additional sporting and physical activities to enrich our curriculum and increase participation, e.g. LCFC's 'Primary Stars' and specialist coaching from Leicester Tigers.
- Increasing the range of after school clubs offered;
- Organising and attending Inter Trust sporting tournaments to improve sporting collaboration between Trust Academies.
- Extension of extracurricular activities through lunch times offering various sporting activities for pupils.
- Replenishment of PE Kit and equipment across all key stages.

Swimming and Water Safety:

National curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	62%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	57%

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	61%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Evaluation of the Academic Year 2017-2018

During the 2017-2018 academic year the PE and sports premium funding was used to maintain and enhance the provision in PE and school sport.

Impact

Skill Levels:

As a result of the continued employment of a PE specialist, the quality of P.E continues to rise. As children progress through the school, they are displaying greater confidence in their own abilities, and an increasing number of more able students are being identified as a result of the increased confidence, knowledge and skills of staff teaching P.E. This will develop even further during 2018-2019 and beyond as the skill based assessment framework is implemented across the school. Sporting achievements in 2017-2018 highlight the improvement and impact of our Sports Premium funding. Our football team won their League, and qualified for the Finals Day held at King Power Stadium. Four of our pupils achieved great success at Cross Country and finished within the top 30 of their division. Our pupils won the girls and boys relay races at the School Sports Hall Athletics competition, and one of our pupils won the javelin event. Our basketball team finished 3rd in a SSPAN inter schools tournament, and we participated with confidence in a Quicksticks Hockey Tournament. Northfield House sports teams are also representing themselves well during the Inter Trust sporting tournaments and are clearly becoming increasingly skilled. The confidence of our pupils in a broad range of athletic events has greatly increased.

Participation:

During the 2017-2018 academic year, as a result of our Sports Premium funding, we worked with a range of specialist sports coaches to widen the range of physical and sporting activities offered to our children and increased participation:

Activity	Numbers participating 2016/2017	Age range	Numbers participating 2017/2018	Age range
After school football (Leicester City)	30	KS2	50	KS2
Basketball club (Riders)	24	KS2	25	KS2

Dance	250	KS1&2	250	KS1&2
Multi sports club	50	KS1&2	60	KS1&2
Boxercise (Rendell Monroe)	25	KS2	25	KS2
Cross country	10	KS2	25	KS2
Netball	20	KS2	25	KS2
Daily Mile			Whole School	KS1 & KS2

The participation levels in inter-school sporting competitions were significantly raised in 2017-2018 as a result of our Sports Premium funding.

Our ongoing affiliation to SSPAN (Leicester City School Sport and Physical Activity Network), allows us to participate in many inter schools tournaments across Leicester. In addition, within The Mead Educational Trust, the primary Academies have frequent tournaments, enabling high numbers of children to experience competitive sporting events.
